Bitrue Futures Service Agreement

Published on: August 10, 2021

Futures trading is highly risky. You shall have full knowledge of the mechanics and risks of futures trading before participating, and agree to consult professionals to acquire such sufficient knowledge if needed. You shall always carefully consider and evaluate your own futures trading capabilities (including but not limited to extensive experience and knowledge of investment, sound financial ability and your risk tolerance) and you shall be aware that all the high risks of futures trading are to be borne by yourself and no other individual or entity. You shall be aware that futures trading itself may not subject to any law or regulation in any country, and may not be recognized by officials. Therefore, when a risk occurs, there may be no recourse to your rights. Any loss or risk will be borne by yourself.

You shall be fully aware of the futures business itself and the high risks involved, and read the content of the Bitrue Futures Service Agreement carefully before performing Futures Trading.

1. Scope of Agreement and Application. The Bitrue Futures Service Agreement is entered into between this platform ("Platform" or "Bitrue", including, without limitation, www.bitrue.com websites and applications) and the users of the platform ("you") with respect to the futures trading service and other relevant services ("futures services") provided by this Platform. Unless otherwise agreed in writing, any other information provided or displayed to the Users or oral/written representations made by the Platform are nonbinding between the Users and the Platform. The business rules, operation guidelines or trading policies and other documents and information governing futures services are only for reference to the Users and have no legal effect. **ANY PERSON IN THE FOLLOWING ARERS IS PROHIBITED FROM USING THE TRADING SERVICES PROVIDED BY BITURE: [THE UNITED STATES AND U.S. VIRGIN ISLANDS, HONG KONG, TAIWAN CHINA, MAINLAND CHINA, CUBA, IRAN, NORTH KOREA, CRIMEA, CANADA(ONTARIO AND QUEBEC ONLY), THAILAND, MALAYSIA, UK(RETAIL USERS ONLY), SINGAPORE, ISRAEL, IRAQ, BANGLADESH, BOLIVIA, ECUADOR, KYRGYZSTAN, SEVASTOPOL, YEMEN, ZIMBABWE, AFGHANISTAN, ALBANIA, UGANDA, CAMBOBIA, CAYMAN ISLANDS, PAKISTAN, PANAMA].**

2. **Amendment and Effectiveness.** By accessing, downloading, browsing, using, purchasing or clicking the "Read and Agree" button, you acknowledge that you agree to be bound by the terms and conditions hereof. Bitrue shall have the right to amend the terms of this Agreement without notice to you. You shall regularly and carefully read the agreements and other terms of any notices, announcements, and presentations posted to the Bitrue Platform or to any communication medium commonly used by the Platform. Amendment to the agreements or terms published on any Bitrue platform shall be effective for all users of the platform at the time of publication. If you do not agree to the terms and agreement being amended from time to time, you shall immediately cease to use any relevant services provided by Bitrue; if you continue to access, download, browse, use or purchase services provided by Bitrue, you shall be deemed to have agreed to such amendment.

3. **Voluntariness.** You shall assume all responsibilities for all your trading or non- trading activities relating to futures trading conducted on the Platform. The Platform and any third party(ies) will bear no responsibility for your actions. Any risk or loss arising as a result of your access, browsing or use of futures trading will be at your own without any liability on the part of Bitrue and you will not be entitled to claims against Bitrue.

4. **Margin Account.** You shall conduct futures trading and open a margin account in accordance with the futures service rules or functions or trading guidelines of the Platform and ensure that there will be sufficient crypto assets in the margin account so that you may conduct futures trading normally. If there are insufficient crypto assets remaining in your margin account, your margin account may be forcibly liquidated by the platform. You have no right to claim any damages against Bitrue Platform and will be responsible for any loss as a result thereof.

5. **Risk Control Provisions.** Trading in crypto assets and futures trading involve significant risks. In addition to the fluctuation of market price of crypto assets, futures trading also involve other unforeseeable trading or non-trading risks, such as counterparty risk. You agree that in certain circumstances the platform may at its own discretion close some or all of the positions or take other measures. Meanwhile, the significant risks of trading in futures may cause you significant loss, and such loss shall be entirely borne by you.

6. **Behaviors detrimental to market health and market competition.** You shall conscientiously comply with the platform rules, and conduct behaviors beneficial to market health. If you conduct any behavior detrimental to market competition in violation of laws, regulations or relevant agreements, and any unhealthy market behavior (including but not limited to wash trading, large-value orders and cancellations, trading of associated accounts, market manipulation, taking advantage of computer system loopholes or platform service loopholes to obtain improper profits, etc.), the platform has the right to temporarily or permanently close your account and take measures such as restricting or cancelling trading, freezing account funds or other actions at its own discretion. The platform shall not be responsible for any losses as a result thereof. If you generate improper profits, the platform will have the right to deduct such profits directly or contact you to pursue recourse, and the cost shall be borne by you.

7. **No Warranty and Indemnity.** You shall ensure the authenticity of each position. The platform does not guarantee the accuracy of positions and any information displayed on the platform. Positions and other information displayed on the platform can only be used as your reference, and you shall not have any right to hold Bitrue liable for the incorrect display of any information.

8. **Uncontrollable risk factors.** If the service provided on the Bitrue Platform fails to meet your expectations or causes losses to you due to uncontrollable risk factors such as public telephone service, computer or Internet delay, slowness, malfunction or hacker attack, you agree and be aware that the above risks exist, any related losses will be borne by you, and you shall have no right to claim for compensations against the Bitrue Platform.

9. **Intellectual Property.** Subject to the provisions of the other Agreement, the copyright or other

intellectual property rights in all information, materials, data, text, graphic images, designs, structure, layout, software, underlying source code and any other information or materials displayed on the Bitrue Platform belong to the Bitrue Platform, unless otherwise specified in relevant agreements. The materials or information described in this section can be used for personal purposes only and not for any commercial purpose.

10. **Warranty.** You shall warrant that you are capable and qualified to engage in futures trading and have obtained all the corresponding authorities. You shall warrant that you are not on any trade or economic sanctions list; nor is your country or region with restrictions on the provision of services by any platform. The Platform will have the right to verify your identity at any time and reserve the right to make its sole discretion in whether or not to provide futures services to you. The Platform shall have the right to freeze any of your account if you breach any of the warranties stated in this Agreement or act in a manner unilaterally determined as suspicious. This may result in cancellation or revocation of any of your trades, concluded or not. If any third party makes any claim against the Platform due to your behavior or reason, you agree that you shall bear all the claims.

11. **Compliance With Laws & Regulations.** You shall ensure that you have obtained authorization to use the futures services and that your behavior at all times complies with the relevant laws, regulations and policies of your jurisdiction. You shall be solely responsible for payment of tax on income derived from using futures services in accordance with the tax regulations of your jurisdiction. The Platform will not be responsible for withholding tax for you.

12. The Platform shall have the right to adjust the service rates and contents according to the market conditions without notice. The Platform reserves the right to remove certain assets at its sole discretion at any time without notice to you. The Platform reserves the right to close all or part of a position in its sole discretion without giving any notice.

13. The Platform reserves the right to unilaterally suspend or terminate the provision of futures services and related services to you without notice due to changes in the laws, regulations or policies of any country or region and other independent decisions of the Platform.

14. **General.**

1) The formation, interpretation and implementation of this Agreement shall be governed by the laws of the Republic of Seychelles. Any claims or litigation arising from the services under this Agreement shall be submitted to the competent courts of Seychelles for litigation. You also unconditionally agree that the venue or forum of any dispute arising out of this Agreement or any claim or litigation shall be exclusive in the Republic of Seychelles. The principle of forum non conveniens shall not apply with respect to courts chosen in accordance with this provision.

2) If any provision of this Agreement is deemed illegal, invalid or unenforceable for any reason, it will be deemed severable and the legal validity or enforceability of the remaining provisions will not be affected.

3) Bitrue reserves the interpretation rights.

I have read the Bitrue Futures Service Agreement and agree to be bound by the Bitrue Futures Service Agreement. I confirm that I agree to undertake all the futures trading risks and losses by myself .
